Re: RoundPoint Mortgage Servicing LLC SOC 1 Report Bridge Letter

We are providing this letter in connection with the RoundPoint Mortgage Servicing LLC (RoundPoint) service auditors' SOC 1 Type II report, issued by SC&H Attest Services, P.C. on controls placed in operation for the examination period of December 1, 2022, to November 30, 2023.

We confirm that we are responsible for establishing and maintaining appropriate controls relating to RoundPoint's SOC 1 Type II report. We also confirm, to the best of our knowledge and belief, the following for the period December 1, 2023, to January 18, 2024.

1. We believe the description provided in the service auditors' report presents fairly, in all material respects, RoundPoint's controls that may be relevant to a user organization's internal controls for the period of December 1, 2023, to January 18, 2024.
2. We believe the controls, as described in the service auditors' report, were suitably designed to provide reasonable assurance that the specified control objectives would be achieved, if the described controls were complied with satisfactorily for the period of December 1, 2023, to January 18, 2024.
3. We are not aware of any significant changes to the control environment during the period which may result in controls no longer operating with sufficient effectiveness to provide reasonable, but not absolute, assurance that the specified control objectives were achieved.
